## Guidelines for Open Mic

- Please limit reading to approximately three (3) minutes.  
**Prose is often longer than you think it is, so prepare to end when signaled by the MC**
- The Open Mic is conducted in a family friendly civic environment, open to all ages.  
Bold work is encouraged but please respect public sensibilities.  
**Remember, families with children may be present or nearby.**
- Be supportive of and show respect for the readers.  
**Please stay for all readers.**
- Be open to new experiences. *You might hear something fresh that resonates.*
